SECTION 8-308 SUMMARY ABATEMENT OF NUISANCES.

A. Some nuisances are of such nature as to constitute a grave and immediate danger to the peace, health, safety, morals or welfare of one or more persons or of the public generally. It is recognized that circumstances may be such as to justify, and even to require the mayor or other appropriate officer or agency of the town government to take immediate and proper action summarily to abate such nuisances, or to reduce or suspend the danger until more deliberate action can be taken toward such abatement.

B. The chief of the fire department, the chief of police, the town attorney, the building inspector, the electrical inspector, the plumbing inspector or any other officer subordinate to the mayor may submit through or with the consent of the mayor to the town board of trustees, a statement as to the existence of a nuisance as defined by the ordinances of the town or law, and a request or recommendation that it be abated. The mayor himself, the health officer and board of trustees or any resident or residents of the town may submit such a statement and request a recommendation to the board of trustees.

C. The board of trustees shall determine whether or not the alleged nuisance is a nuisance in fact. For the purpose of gathering evidence on the subject, the board of trustees shall have power to subpoena and examine witnesses, books, papers and other effects. Before proceeding to abate the nuisance or have it abated, the board of trustees shall give notice of a hearing on the proposed abatement to the owner of any property concerned and an adequate opportunity to be heard, if such notice and opportunity for a hearing can be given. Such notice to the owner and other persons concerned shall be given in writing by mail or by service by a police officer if their names and addresses are known; but, if the names or addresses are not known, and the peace, health, safety, morals or welfare of the person or persons or public adversely affected would not be unduly jeopardized by the necessary delay, a notice of the hearing shall be published in a paper of general circulation within the town.

D. If the board of trustees finds that a nuisance does in fact exist, it shall direct the owner or other persons responsible for or causing the nuisance to abate it within a specified time if the peace, health, safety, morals or welfare of the person or persons or public adversely affected would not be unduly jeopardized by the consequent delay, or if the owner or other persons responsible for or causing the nuisance do not abate it within the specified time, the board of trustees shall direct the mayor to abate the nuisance or to have it abated, if summary abatement is practical, as authorized by Section 16 of Title 50 of the Oklahoma Statutes. The town clerk-treasurer shall send a statement of the cost of such summary abatement to the owner or other persons responsible for or causing the nuisance, as may be just under the circumstances, if their names and addresses are known. Until paid, such cost shall constitute a debt to the town collectible as other debts to the town may be collected.

SECTION 8-309 ABATEMENT BY SUIT IN DISTRICT COURT.

In cases where it is deemed impractical summarily to abate a nuisance the town may bring suit in the district court of the county where the nuisance is located, as provided in Section 17 of Title 50 of the Oklahoma Statutes.

SECTION 8-310 NUISANCE UNLAWFUL.

It is unlawful for any person, including but not limited to any owner, lessee, or other person to create or maintain a nuisance within the town or to permit a nuisance to remain on premises under his control within the town.

SECTION 8-311 HEALTH NUISANCES; ABATEMENT.

A. Pursuant to authority granted by Section 1-1011 of Title 63 of the Oklahoma Statutes, the health officer shall have authority to order the owner or occupant of any private premises in the town to remove from such premises, at his own expense, any source of filth, cause of sickness, condition conducive to the breeding of insects or rodents that might contribute to the transmission of disease, or any other condition adversely affecting the public health, within twenty-four (24) hours, or within such other time as may be directed in writing and may be served personally on the owner or occupant of the premises, or authorized agent thereof, by the health officer or by a policeman or a copy thereof may be left at the last usual place of abode of the owner, occupant or agent, if known and within the state. If the premises are unoccupied and the residence of the owner, occupant or agent is unknown, or is without the state, the order may be served by posting a copy thereof on the premises or by publication in at least one issue of a newspaper having a general circulation in the town.

B. If the order is not complied with, the health officer may cause the order to be executed and complied with and the cost thereof shall be certified to the town clerk-treasurer, and the cost of removing or abating such nuisance shall be added to the water bill or other town utility bill of the owner or occupant if he is a user of water from the town water system or such other utility service. The cost shall be treated as a part of such utility bill to which it is added and shall become due and payable, and subject to the same regulations relating to delinquency in payment as the utility bill itself. If such owner or occupant is not a user of any town utility service, such cost, after certification to the town clerk-treasurer, may be collected in any manner in which any other debt due the town may be collected.

Health and Sanitation

B. Every owner of a residence or other building in which humans reside, are employed or congregate within this town shall install, equip and maintain adequate sanitary facilities for the disposal of human excrement.

C. All human excrement disposed of within this town shall be disposed of by depositing it in suitable toilet facilities provided for in this code. It is unlawful for any owner of property within the town to permit the disposal of human excrement thereon in any other manner, or for any person to dispose of human excrement within the town in any other manner.

D. All facilities for the disposal of human excrement in a manner different from that required by this section and all privies and closets so constructed, situated or maintained as to endanger the public health, are hereby declared to be public nuisances, and may be dealt with and abated as such. Any person maintaining any such nuisance is guilty of an offense and each day upon which any such nuisance continues is a separate offense. (Amended 1992)

Cross Reference: See also Sections 17-301 et seq. on requirements for human excrement and sewer facilities.

SECTION 8-313 PROCEDURE CUMULATIVE.

The various procedures for abating nuisances prescribed by this chapter and by other provisions of law and ordinance shall be cumulative on to any other penalties or procedures authorized.
